The DP Challenge provides an opportunity for targeted outreach as well as providing an opportunity for members to put their faith into action. By organising a fundraising event towards the MU General Diocesan Fund, this will help subsidise the overall cost and if we want more people to 'Join Us and Join In!' we must raise the profile of MU by sharing our good news stories within our churches and local communities.

For those branches still to engage with the DP challenge for this year (2024) there is still time to come up with a new initiative or continue with their existing one.

Thank you for taking the time to complete this form. This will help the Trustee Board evaluate the success of the DP Challenge and next steps.
