Mothers' Union is an international Christian Mission organisation working with people of all faiths and none. We are firmly rooted in a voluntary ethos centered on mutual respect and collaboration.

Our vision is of a world where God's love is shown through loving, respectful and flourishing relationships.

Loving Lord
We thank you for your love so freely given to us all.
We pray for families around the world.
Bless the work of the Mothers' Union as we seek to share your love through the encouragement, strengthening and support of marriage and family life.
Empowered by your Spirit, may we be united in prayer and worship, and in love and service reach out as your hands across the world.
In Jesus' name. Amen
