A man and a woman are standing in an office. The man is wearing a black quilted jacket over a blue and white checkered shirt. The woman is wearing a beige hoodie and grey trousers. They are both smiling. In front of them is a large cardboard box filled with pink clothing items, possibly pajamas or loungewear, wrapped in plastic. The background shows an office environment with a whiteboard, a door, and some office furniture.

“your support & compassion mean more to us than words can adequately convey. It is through acts of kindness like yours that we find hope & strength to face our challenges.

We are deeply grateful for your dedication to making a positive difference in our lives.

Thank you once again for your generosity and for reminding us that we are not alone. We the residents at The Gateway, eagerly look forward to future events & opportunities to connect with your wonderful organisation Mothers' Union”

Pedro Bezerra, on behalf of the residents at The Gateway

- **Prayer for the Homeless**

- Our Father in Heaven, host with room for all, we lift to you those who have no safe place to stay. The men and women seeking shelter in doorways, families fleeing war and persecution, the teenagers sleeping on yet another sofa or not.
- Jesus our servant saviour, you knew what it was to be hungry and tired, to have no place of your own to lay your head. May each person know your loving presence encircling them in their sleeping and their waking.
- Holy spirit, living and among us, teach us to see with your eyes, every precious son and daughter made in your image. Show us where we can serve and give as you have so generously poured yourself out for us.
- Amen.
